

fire down below

Fire in the galley, fire in the hold.
It's fetch a bucket of water girls... there is fire down below.

refrein: Fire, fire, fire down below.
It's fetch a bucket of water girls... there is fire down below.

There's fire in the galley, fire in the gig.
There's fire in the pigsty and... it's roasting up the pig.

refrein

There's fire round the capstan, fire round the mast.
There's fire on the poop-deck and... the flames are spreading fast.

refrein

There's fire round the foc'sle and the crew are down below.
There's fire in the locker but... the bo'sun doesn't know.

refrein

There's fire in the slopchest there's nothing left in wear.
There's fire in the cabin but... the old man doesn't care.

refrein

Fire in the foreshop, fire in the main.
It's fetch a bucket of water girls... and put it out again.
